We truly enjoyed Winnie Brave. The music was superb, and the show is high-quality entertainment. The performers incorporated lots of fun tidbits of the evolution of Winnie Brave, and their journey along the way. This show is a definite "must see" when they are in your area!

WINNIE BRAVE

Hailed as one of Alberta's best kept secrets and known for their dynamic and energetic shows, Winnie Brave is a sonic force to be reckoned with. Armed with two guitars and an old suitcase drum, to say this country duo is greater than the sum of their parts would be a vast understatement.

Drawing inspiration from their extensive travels throughout Canada and the USA, their songs reflect on small town life and the interesting folks who cross their paths.
