

Meet **Winnie Brave**, a foot stompin' Americana/Roots duo comprised of Amy Mclsaac (vocals/guitar) and "one-man-band" Brad Mclsaac (bass/foot drums/keys). Established in 2012, this husband-and-wife team hail from Holden, Alberta. In 2016 they travelled over 20,000 road miles for 9-months in their 1976 Winnebago touring their self-title debut album throughout Canada and the USA.

With the release of their brand new album, Cheap Gin, (Oct 2017) the duo is hitting the road once again for another year of solid touring throughout the USA and western Canada.
